4/17/20	202.19	The Department of Health shall establish a single, statewide coordinated testing prioritization process which shall prioritize testing of entities or individuals as directed by this coordinated statewide process.	The Department of Health shall hereby establish a single, statewide coordinated testing prioritization process that shall require all laboratories in the state, both public and private, that conduct COVID-19 diagnostic testing, to complete such COVID-19 diagnostic testing only in accordance with such process. Any such laboratories shall prioritize testing of entities or individuals as directed by this coordinated statewide process. Any such laboratories may not, without an exemption from the Department of Health, enter into an agreement that would reserve testing capabilities for any private or public entity and therefore impede the Departments' ability to prioritize and coordinate COVID-19 testing in New York State. Any violation of this directive may result in a civil penalty not to exceed \$10,000 or three times the value of such testing provided in violation of this section, and provided further that the Commissioner is hereby empowered and may revoke any operating certificate or license of such laboratory.
